

Design series socket outlets

New socket outlets for design series

Design series are completed with flush mounted 2-gang Schuko socket outlets and 3-gang Euro socket outlets. The socket outlets are available in painted steel, white matt and black matt.

The 2-gang Schuko socket outlets are delivered as complete products including the insert and cover plate. The 3-gang Euro socket outlets are delivered with insert and center plate. Socket outlets are IP21, shuttered and equipped with screwless terminals for fast and reliable installation.
