

Fault current pro

Socket residual current device with a rated current of 16 A and s rated residual current of 30mA.

Type: 3120EUC-84

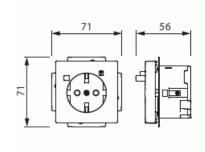

Product ID: 2CCF019491R0001

GTIN: 7612271472283

Socket residual current device with a rated current of 16 A and s rated residual current of 30mA.

Technical specification

Electrical quantities

| Nominal current: | 16 A |
|------------------|-------|
| Nominal voltage: | 230 V |

Classification
