Socket outlet unit, ProDuct, 6xShuko, "DATA" label, white

**Type:** AUD13-214D

**Product ID:** 2TKA00000823

**GTIN:** 6438199002156

Ready-to-install 2-gang socket outlet that contains an end package, covers, a junction box with strain-reliefs and a 3 connectors. Approved for 3-phase linking.

## Technical specification

### Dimensions

|             |              |
|-------------|--------------|
| Dimensions: | 345x85x45 mm |
|-------------|--------------|

### Electrical quantities

|                |       |
|----------------|-------|
| Rated current: | 16 A  |
| Rated voltage: | 250 V |

### Classification

|                  |      |
|------------------|------|
| Enclosure class: | IP20 |
|------------------|------|

### Packing

|          |      |
|----------|------|
| Package: | 1/25 |
| Unit:    | PCS  |

## ETIM Data

|                                   |                            |
|-----------------------------------|----------------------------|
| Number of active pins (round):    | 2                          |
| With signal lamp:                 | No                         |
| Number of units:                  | 6                          |
| Number of phases:                 | 1                          |
| Imprint/indication:               | None                       |
| Connection type:                  | Push-in clamp              |
| With hinged lid:                  | No                         |
| With enhanced contact protection: | Yes                        |
| Label space/information surface:  | No                         |
| Colour:                           | White                      |
| RAL-number (similar):             | 9010                       |
| Metallic colour:                  | No                         |
| Transparent:                      | No                         |
| Lockable:                         | No                         |
| Eject-mechanism:                  | No                         |
| Insulated mounting:               | No                         |
| With function lighting:           | No                         |
| With orientation lighting:        | No                         |
| Over voltage protection:          | No                         |
| Fault current protection:         | No                         |
| With miniature fuse:              | No                         |
| Special power supply:             | No special power supply    |
| Mounting method:                  | Wall duct                  |
| Type of fastening:                | Snap mounting (engagement) |
| Material:                         | Plastic                    |
| Material quality:                 | Thermoplastic              |
| Halogen free:                     | Yes                        |
| Surface protection:               | Untreated                  |
| Surface finishing:                | Matt                       |
| Anti-bacterial treatment:         | No                         |
| With loop through function:       | No                         |
