# Countdown timer

Basic timer, Impressivo, aluminum

---

**Type:** T210-83

**Product ID:** 2TKA00000877

**GTIN:** 6438199002262

Fixed time options: 15min, 30min, 1h, 2h, 4h and 8h. Exchangeable labels with the time options to mark center plate with selected time. 230 VAC, 50Hz, 0 - 40C, IP21, 2-pole wiring. 10A resistiv load (2300W), 2AX-load (e.g. fluorescent lamp). Screw terminals max 2,5mm<sup>2</sup>. Signal light when active.

## Technical specification

### Electrical quantities

|                  |       |
|------------------|-------|
| Nominal voltage: | 230 V |
| Rated current:   | 10 A  |

### Classification

|   |      |
|---|------|
| Suitable for degree of protection (IP): | IP20 |
| Protection class:                       | IP21 |

### Thermal conditions

|                        |             |
|------------------------|-------------|
| Operating temperature: | 0 ... 40 °C |
|------------------------|-------------|

## Dimensions

|                       |       |
|-----------------------|-------|
| A:                    | 70 mm |
| B:                    | 70 mm |
| C:                    | 32 mm |
| Recessing dimensions: | 18 mm |

## Electronics

|                      |                     |
|----------------------|---------------------|
| Operating frequency: | 50 Hz               |
| Conductor size max.: | 2,5 mm <sup>2</sup> |

## Packing

|          |               |
|----------|---------------|
| Package: | 1/10/100/1200 |
| Unit:    | PCS           |

## ETIM Data

|  |  |
|--|--|
| Assembly arrangement:                        | Basic element with central cover plate |
| Number of contacts as normally open contact: | 1                                      |
| Model:                                       | Electronic                             |
| Mounting method:                             | Flush mounted (plaster)                |
| Type of fastening:                           | Mounting with screw                    |
| Material:                                    | Plastic                                |
| Material quality:                            | Thermoplastic                          |
| Surface protection:                          | Untreated                              |
| Surface finishing:                           | Glossy                                 |
| Colour:                                      | Aluminium                              |
| RAL-number (similar):                        | 9006                                   |
| Transparent:                                 | No                                     |
| Shortest switching interval:                 | 15 min                                 |
| Random generator:                            | No                                     |
| Astro program:                               | No                                     |
| Substation input:                            | No                                     |
| Rated current:                               | 10 A                                   |
