

## Product Card

Socket outlet, Impressivo, Schuko, 1-gang, screwless terminals, white

# Socket outlet

Socket outlet, Impressivo, Schuko, 1-gang, screwless terminals, white

**Type:** 20EUCK-84

**Product ID:** 2TKA003847G1

**GTIN:** 6438199000527

There are terminals for each contact of the socket outlet. No 2 X-terminals. The terminals are for max 2 rigid wires.

## Technical specification

### Electrical quantities

|                  |       |
|------------------|-------|
| Nominal current: | 16 A  |
| Nominal voltage: | 250 V |

### Classification

|   |      |
|---|------|
| Suitable for degree of protection (IP): | IP21 |
|---|------|

### Packing

|          |               |
|----------|---------------|
| Package: | 1/10/100/1800 |
| Unit:    | PCS           |

### ETIM Data

|                                |    |
|--------------------------------|----|
| Number of active pins (round): | 2  |
| With signal lamp:              | No |

|                                   |                              |
|-----------------------------------|------------------------------|
| Number of units:                  | 1                            |
| Number of phases:                 | 1                            |
| Imprint/indication:               | None                         |
| Connection type:                  | Push-in clamp                |
| With hinged lid:                  | No                           |
| With enhanced contact protection: | Yes                          |
| Label space/information surface:  | No                           |
| Colour:                           | White                        |
| RAL-number (similar):             | 9016                         |
| Metallic colour:                  | No                           |
| Transparent:                      | No                           |
| Lockable:                         | No                           |
| Eject-mechanism:                  | No                           |
| Insulated mounting:               | No                           |
| With function lighting:           | No                           |
| With orientation lighting:        | No                           |
| Over voltage protection:          | No                           |
| Fault current protection:         | No                           |
| With miniature fuse:              | No                           |
| Special power supply:             | No special power supply      |
| Mounting method:                  | Flush mounted (plaster)      |
| Type of fastening:                | Mounting with claw and screw |
| Material:                         | Plastic                      |
| Material quality:                 | Thermoplastic                |
| Halogen free:                     | Yes                          |
| Surface protection:               | Untreated                    |
| Surface finishing:                | Glossy                       |
| Anti-bacterial treatment:         | No                           |
| With loop through function:       | No                           |
| With on/off switch:               | No                           |
| Rotated central insert:           | No                           |
| Frequency:                        | 50 Hz                        |
| Device width:                     | 71 mm                        |
