
Installation adaptor

For mounting-/ and junction boxes

Type: PMR135

Product ID: 2TKA130038G1

GTIN: 6410011527894

A box is attached to its base from the inside with a PMR135 installation adaptor through the opened center blank. The screw-head is covered with the plug in the adaptor. The installation adaptor is used to eliminate any measurement errors made during panelling.
